

VISWANADHA INSTITUTE OF PHARMACEUTICAL SCIENCES

(Approved by PCI & AICTE – New Delhi and Affiliated to JNTUK, Kakinada)

Mindivanipalem (V), Sontyam (P), Anandapuram (M), Visakhapatnam - 531173

Seminar/Theme: DST PURSE - National Workshop on Advanced Techniques Related to Analytical, Molecular, Material Testing and Statistical Tools.

Date: 27th - 29th March, 2018

Location: Andhra University, Visakhapatnam.

Organized by:

Advanced Analytical Laboratory,
DST PURSE Programme,
Andhra University, Visakhapatnam.

Chief Guest, Guests of Honor & Speakers:

1. **Prof. G. Nageswara Rao**, Vice-Chancellor, Andhra University
2. **Dr. U.V.R. Vijaya Saradhi**, Scientist, IICT, Hyderabad
3. **Prof. N. Ramaiah**, Dept. of Mechanical Engg., AUCE(A), Andhra University
4. **Dr. A. Pavan Kumar**, Scientist, FG&B Division, ICAR CIFE, Mumbai
5. **Dr. K. Pratap**, Asst. Professor, School of Physics, University of Hyderabad and Fellow, University of Cambridge, U.K.
6. **Prof. P.S. Avadhani**, Principal, AUCE(A), Andhra University
7. **Prof. V. Uma Maheswara Rao**, Registrar, Andhra University

VNIPS faculty Dr. GSN Koteswara Rao, Associate Professor has attended the 3 days national level workshop on Advanced techniques related to analytical, molecular, material testing and statistical tools (NWAT-2018) during 27th - 29th March 2018 held at Andhra University Advanced Analytical Laboratory. This is of high value workshop sponsored by DST for Andhra University with limited enrolment of attendees. The program is under the headship of Prof. U. Shameen, Organizing Secretary, Co-coordinator, DST-PURSE Programme, AU. The workshop consists of technical presentations by eminent speakers from different sectors and practical demonstration on selected instruments of LC-MS (Liquid Chromatography – Mass Spectrometry, Agilent),

DTA (Differential Thermal Analysis, Hitachi), TGA (Thermo Gravimetric Analysis, Hitachi), DSC (Differential Scanning Calorimeter, Hitachi), UTM (Universal Material Testing Machine, Instron), DNA Analyzer (Thermo Fischer) and statistical software MINITAB 18.

Details of faculty attended to “**National Workshop on Advanced Techniques Related to Analytical, Molecular, Material Testing and Statistical Tools.**” from 27th - 29th March, 2018 held at Andhra University, Visakhapatnam.

S.No.	Name of the Faculty	Department
1	Dr. G.S.N. Koteswara Rao	Department of Pharmaceutics
